Devon sat at the bar as a mass of bodies danced on the dance floor. He drank some whiskey.

Brynn worked the counter, getting hit on by the guys.

Devon grinned at her. "When does your shift end?"

"Not before your bedtime " she remarked. Used to questions like that.

Devon smiled " I wouldn't sleep with you around, but seriously ...dance with me"

"Can't, this is my job, not my free time" she smiled at him. "Thanks anyway "

Devon nodded "I'll wait"

"Really...alright fineone dance. Then I go back to work" she insisted.

Devon grinned. "You won't regret it"

Brynn walked out from behind the counter to dance with him.

Devon held her close as the up beat song pounded. He moved his hips against hers.

Brynn danced with him.

Devon kissed her neck and slid his hand down to her butt as the song got sensual.

"And that's that" Brynn backed away.

Devon let her go. "Eat dinner with me tonight"

"I can't, I'm sorry" she went back behind the counter.

"I have a job opening..I need a cook...my brother married the last one...come work for me" he blurted.

"I like my job" Brynn said.

Devon smiled. "it pays a lot more...And we feed and house you"

"Do you?" She said, doubting him.

Devon nodded and leaned close, over the counter. "I'm a billionaire.." he whispered and

smiled.

Brynn looked at him. "you're also drunk...and i don't listen to the ramblings of drunk men"

Devon frowned. "fine...Here is my card" he handed her his business card and left.

Brynn took it.

Devon went home and slept.

Brynn kept the card and came to visit a couple of days later. "you offered, I'm considering"

Devon smiled and led her to his office. "that's good"

Brynn nodded.

Devon sat in his office chair. "please take the job"

"Okay" she agreed.

Devon grinned and jumped up. "great!"

Brynn nodded.

Devon kissed her.

Brynn jumped back. "That included?" she liked him a lot.

Devon rubbed her neck. "sorry...I...it is if you want it to be"

"good" she smile. She was a hard woman to figure out sometimes.

Devon grinned and kissed her again.

Brynn kissed back.

Devon deepened the kiss and cupped her butt.

Brynn backed away. "not so fast...i'm not that easy" she smiled.

Devon groaned. "i never said you were"

Brynn smiled.

Devon kissed her one last time.

Brynn kissed back.

Devon stroked her back. "want me to show you to your room? then i can get your luggage?"

Brynn nodded. "sure"

Devon grinned and showed her the the room above the kitchen.

Brynn moved in quickly since she didn't have much.

Devon smiled. "i'll leave you to start cooking dinner" he went back to his office.

Brynn rifled through the kitchen till she found what she wanted. She made apple-glaze chicken breast and mixed vegetables.

Devon and Ryan came down to eat. "my brother and his wife are holed up in their room" he grinned.

"i see, i'll make sure some gets left for them" Brynn plated it up.

Devon grinned "sit and with us"

Brynn nodded

Devon kissed her hand. While his brother was looking at the news paper.

Brynn ate her dinner quietly.

Devon rubbed his leg against her.

Brynn blushed.

Devon stood. "i'm retiring to my room...i hope you Sleep well tonight Brynn" he winked and walked off to his room.

Brynn nodded in response, finished chewing, and headed to her bedroom.

Devon stripped to his boxers in his room and lit candles.

Brynn snuck around to his bedroom.

Devon opened the door and smiled. "come on in"

Brynn blushed when she walked in, her other clothing still on.

Devon closed the door and kissed her

Brynn kisses back.

Devon slips his hands under her shirt. "want to shower first?"

Brynn nodded. "please...It's been a while since I've had a cool shower...the bar's apartment only had extremely cold or extremely hot"

Devon led her into the bathroom and helped her get naked.

Brynn blushed, she had scars from bar fights and stuff she had done as a child.

Devon kissed her. "you're beautiful..." he started the shower and stripped his boxers off. his erection rose up proudly and was thick and long. he ushered her into the shower.

Brynn blushed.

Devon got into the luke warm shower behind her.

Brynn basked in the water.

Devon slid his arms around her and kissed her shoulder. his erection brushed against her butt.

Brynn blushed. "I've slept with guys before, i used to do it for a living...But ...it's been so long" she hoped he didn't think less of her.

Devon kissed her neck from behind her. "the past is the past"

Brynn nodded.

Devon slid his hand up her belly to cup her breast.

Brynn moaned.

Devon pinched her nipple as he kissed her neck.

Brynn gasped and moaned.

Devon stepped back, and grabbed the soap. "i'll wash you"

Brynn nodded.

Devon washed her and rinsed her. he turned the shower off and carried her to bed.

Brynn hurriedly braided her hair so it wasn't in the way.

Devon kissed her and palmed her slit.

Brynn moaned.

Devon kissed down to her breasts and licked each nipple.

Brynn smiled. "so good"

Devon settled between her thighs and kissed her and he slowly thrust into her.

Brynn arched against him.

Devon groaned and started thrusting deep and faster into her as he sucked her nipples.

Brynn moaned and held onto him.

Devon sucked her nipple and gripped her hips as he thrust.

Brynn arched against him, nibbling his neck.

Devon groaned against her breasts as he started to come in her.

Brynn moaned and clenched around him.

Devon groaned. and stroked her clit once.

Brynn turned to jelly in his hands. He could do whatever he wanted in that moment and she wouldn't have cared.

Devon stroked her till she came.

Brynn came with a shudder.

Devon leaned over her to kiss her but cursed as his phone rang, He answered. he started getting dressed. "i gotta go..i'll be back Brynn" then he rushed out.

"wait...what's going on?" Brynn sat up really fast.

Devon looked back. "i have an emergency meeting to get to...3 states over" he rushed out.

Brynn blushed, she felt left.

Devon was gone three months.

Ryan found out she was pregnant with Devon's baby and they became close friends.

Brynn wouldn't sleep with him, she was still faithful to Devon, but she did become close with Ryan.

Devon came back and walked in. "i'm ho-" he stopped when he saw them hug and her pregnant belly" "damn you ryan!"

Ryan held up his hands "i can explain"

Brynn was happy to see him. "Devon!"

Devon frowned. "you went straight to his bed after i left?" he accused.

"no..Never How could you think that?" Brynn was hurt. "you jerk!You're just as bad as all the others. I thought you were different, i was proud to carry your child....i was wrong" she grabbed a jacket and laughed.

"Devon...she never crawled into my bed and i was never in hers...She's emotional because she's pregnant...you hurt her and made her cry again"

Devon shoved a hand through his hair. "damn....I'll go after her" he rushed back out stopping her before she reached the car. "i'm sorry Brynn"

Brynn looked back at him. "are you? Or next time you leave for a while will you come back and do this again?"

Devon cupped her face. "no...i believe you...its just....5 years ago...i was told i would probably never have kids"

Brynn placed his hand on her belly."they were wrong"
